<p>I sent this email to Joe Edgell on March 30: Hi, Joe. I have just been assigned a FOIA where you (alone) would have responsive documents. The FOIA is narrow and seeks: "All emails sent by Joe Edgell, Office of General Counsel, that mention or refer to Scott Pruitt on February 16, 2017 or February 17, 2017." Can identify responsive records, if any? Once you identify responsive records, GLO will then evaluate whether any portion of those records are exempt pursuant to FOIA. [NOTE: After sending this email, I learned that Joe & I evaluate the documents for privilege, not GLO.] If you have such emails, please forward them to LaShawn Williams of GLO and me. I'll work with LaShawn and others in GLO to figure out next steps. I'll also work with LaShawn to determine how to use the FOIA On Line system for this collection. But in the meantime, I thought you could start looking for responsive documents. Thanks, Joe. If you have any questions, just let me know.</p>
